Ms. Harden is a former associate and care provider. Ms. Harden was aware of my status as a disabled person (disabled veteran), as well as my social status as a pastor and church leader. Between 04/2016-present she has continued to slander my personal image, and to falsely make condemning accusations against myself and family.

Ms. Harden has furthered her cause by filing an order of protection against me on 07/18/2016. She was given the order under false pretenses on 10/25/2016. I have filed an appeal in this matter, based upon the violation of my due process, of which I was never served the document which was falsely reported as served 10/2/16. Ms. Harden has used this false documentation, as slander against me, by reporting this to officials of The Christian Northeast Hospital, where I have doctors located that have treated me as a Cancer patient, and I once was employed as a chaplain. I have filed a complaint with HIPAA of the violations that have occurred. Ms. Harden has also Interfered with my business dealing as well as taken money from me as a loan, of which she never repaid.

V. Relief: State briefly and exactly what you want the Court to do for you.

My wish is for this court to hold Ms. Harden accountable for libel and slander, and the emotional distress which she has caused. To also restore any and all financial losses accumulated.
